## NATIONAL DAIRY MONTH

There is no moo-staking the facts about dairy:

- Dairy farming is a family tradition, and has been a way of life for many generations
- 98% of dairy farms are family owned and operated in Canada
- The largest concentration of dairy farms are located in Ontario and Quebec (81%)
- There is an average of 85 dairy cows per farm
- There are approximately 10,095 dairy farms across Canada
- Canadian milk is completely free of artificial growth hormones
- Drinking milk reduces risk to chronic diseases such as diabetes and cardiovascular disease
- It is estimated that humans have consumed dairy products from cows, sheep and goats for at least 10,000 years

## FROM THE ACTIVITY DIRECTOR

Hello everyone, and welcome June! Let's bring on this beautiful summer weather! In June, we have some exciting events coming up, guessing wedding photos, Father's Day fishing themed lunch and at the end of the month we are doing a cupcake decorating contest featuring fresh strawberries. I would again like to remind to everyone that the recreation events on the calendar is subject to change based on the direction given from our local public health unit and government regulations. We are continuing to work with them as best we can, as well as provide safe and fulfilling activities for all to enjoy. We appreciate everyone's ongoing co-operation, patience, and understanding at this time!

-Michelle Weishar, Recreation Manager

If you have any questions about any of the events on our calendar, please email me at [activationgp@hurontel.on.ca](mailto:activationgp@hurontel.on.ca) or call 519-524-4243 ext. 221.
